REFERRAL GUIDE

WHERE WE ARE, WHAT NEXT? GUIDE TO PRICES

What next?

If your dentist has referred you to Smile Suffolk – Ipswich for treatment we will contact you to make an appointment, usually with 48hrs of receiving your referral request.

Your referral (including supporting information like x-rays) will be viewed by a Smile Suffolk employee in the speciality that you are being referred for. They will look at the complexity of your referral and discuss next steps with you at your first appointment.

In the event you are in pain, we will always try to accommodate as a matter of urgency – so please call in advance and we will do our best to help. On pricing, we've worked hard to be both affordable and transparent.
